

Dear brothers and sisters!

With the blessing of Fr. Viatcheslav, we would like to ask you to respond and help our dear Valyusha!

For those who do not know her, Valyusha is a member of our parish. She has been fighting cancer for five years, is raising two wonderful children on her own, and despite her illness, continues to work as much as she is able. Many of you know her as one of the most caring and positive person, who helps so much in the church and in the parish school.

At this time, her mother, servant of God Nina, has been in intensive care in St. Petersburg for several days. Her condition is very serious, even critical (sepsis, multiple organ failure, thromboembolism, and pneumonia). We all hope for a miracle and pray for the recovery of servant of God Nina.

However, we would also like to ask for your help in raising funds for Valyusha's ticket to St. Petersburg, for possible major expenses related to her mother's serious condition, and for Valyusha's further examinations and treatment.

Thank you!
